

CLEANSE. MOISTURISE. PROTECT.

WITH HYGEA HANDS & FACE WIPES

Why Choose Hygea Hands & Face Wipes?

Soft, ready-to-use patient care wipes designed to gently cleanse the skin, leaving it clean, fresh and comfortable. Formulated for regular use, they support daily personal hygiene routines while helping maintain skin integrity, comfort and dignity.

PHF7020

Ideal for:

- + Daily personal hygiene and freshening
- + Bed bathing and assisted patient care
- + Use in hospitals, care home, and community settings

Gentle on Sensitive Skin:

Dermatologically tested, pH-balanced and free from alcohol, parabens and latex, making them suitable for sensitive skin and frequent use.

Supports Skin Comfort & Hydration:

Formulated with camomile extract and Vitamin B5 to help moisturise the skin and reduce the risk of dryness or irritation.

Hand & Face Cleansing:

Suitable for use on hands and face, providing an effective personal hygiene solution.

Enhances Dignity & Wellbeing:

Lightly fragranced to leave skin feeling clean and refreshed, supporting comfort, confidence and independence.

Ready-to-Use Convenience:

Rinse-free wipes that simplify personal care routines, saving time for caregivers and supporting ease of use for patients.

Enhanced Infection Prevention:

Each single-use wipe is disposed of after use, helping to reduce the potential for cross-contamination.

Minimising our carbon footprint with European manufacturing at our UK & Italian plants.
