Overview

Further Information:

- Recommended by Asthma Allergy Nordic and certified by Nordic Swan Ecolabel.
- Soft seals: Complete security for little legs: Soft, breathable stretch around the legs for a comfy and secure fit, no matter the activity.
- Soft & breathable: Soft and gentle materials all around allow skin to breathe, helping to keep your baby's skin healthy.
- Poo pocket & wetness indicator: Capture pocket helps prevent messy leaks at the back and the wetness indicator changes colour when there is pee in the diaper.
- Elasticity at the back and sides: For leakage protection and a comfy, adjustable fit around the belly and back.
- Leakage security up to 12 h: Absorbent core with channels and double anti-leak barriers lock in pee and poo. For day and night protection.

Product ingredients:

Superabsorbent Polymers (SAP), Polypropylene, Cellulose, Polyethylene, Synthetic Resins, Polyester, Calcium Carbonate, Synthetic Elastics, Ink.
